What is the Bipartisan Infrastructure Law (BIL)?

- ✓ The Bipartisan Infrastructure Law refers to a major piece of legislation that was passed in the United States in 2021. The bill aimed to address various infrastructure needs across the country, including investments in transportation, broadband, water systems, and more.
- ✓ [Investing in America - Build.gov | The White House](#)

What are the key areas of investment?

- ✓ Transportation
- ✓ Broadband Internet
- ✓ Water Systems
- ✓ Power and Energy
- ✓ Environmental Remediation
- ✓ Climate Resilience
- ✓ Technology and Innovation
- ✓ [Guidebook to the Bipartisan Infrastructure Law | Build.gov | The White House](#)

What is the “Map of Progress”?

This includes funding:

- ✓ Announcements as of July 7, 2023
- ✓ Awarded as of May 31, 2023
- ✓ Mapping identifies projects by state, funding agency, program
- ✓ Type: formula or discretionary
- ✓ [Bipartisan Infrastructure Law \(BIL\) Maps Dashboard | D2D \(gsa.gov\)](#)

What is “Investing in America:?”

Historic levels of private sector investments including:

- ✓ Bringing back manufacturing jobs
- ✓ Rebuilding roads and bridges
- ✓ What is the impact of these investments across the U.S.
- ✓ [Investing In America | The White House](#)

Colorado Resources

- [Local Community Funding Guide | Division of Local Government \(colorado.gov\)](#)
- [158 current funding opportunities](#)

How does the Law impact your region?

The Bipartisan Infrastructure Law impacts states across the U.S. by investing in various infrastructure projects. Funding agencies in these states include:

Dept of Transportation, Corp of Engineers, Dept of Agriculture, Dept of Commerce

Talent Pipeline Challenge

Supporting employer investments in equitable workforce development for infrastructure jobs.

Collaboration with employers, training providers, state and local government, community

Pledge survey to join the challenge

[Talent Pipeline Challenge Pledge](#)

What To Consider

- **Consider your industry – does it align with areas of investment**
 - **Review the Maps of Progress for funding agencies in your state and areas of investment**
 - **Contact the funding agency for details on available programs**
 - **Keep informed through the MPMSDC on announcements and opportunities**
 - **September Updates** [IJA-Technical-Assistance-Guide-September-2023-v091223.pdf \(whitehouse.gov\)](#)
